- 1. Basic Pay:
- The fixed component of an employee's salary.
- Determined based on role, experience, and market standards.
- 2. Allowances:
- Housing, transport, and meal allowances (varies by position).
- Additional incentives for remote work or fieldwork.
- 3. Bonuses:
- Performance-based annual or quarterly bonuses.
- Special project completion incentives.
- 4. Pay Frequency & Distribution:
- Salaries are credited on the last working day of each month.
- Direct deposit to the employee's registered bank account.
- Payslips are available via the HR portal.

The company ensures transparency in salary structure and timely payments.

Insurance & Healthcare

The company provides comprehensive insurance and healthcare benefits to support employee well-being.

- 1. Medical Insurance Coverage:
- Covers hospitalization, doctor consultations, and prescribed medication.
- Includes coverage for dependents (spouse, children).
- 2. Life Insurance Options:
- Basic life insurance provided to all full-time employees.
- Additional voluntary life insurance available at discounted rates.
- 3. Health & Wellness Support:
- Employees can avail of preventive health check-ups.
- Wellness programs include mental health counseling and fitness reimbursements.

Insurance benefits ensure financial security in case of medical emergencies.

Retirement Plans

The company supports employees in planning for their retirement.

- 1. 401(k) or Pension Details:
- Employees can contribute to a retirement savings plan.
- Company matches a percentage of contributions based on tenure.
- 2. Investment Options:
- Employees can choose from a range of mutual funds and bonds.
- Financial advisory support is available for long-term planning.
- 3. Vesting & Withdrawals:
- Employer contributions are vested over a defined period.
- Withdrawal policies align with financial regulations.

A structured retirement plan ensures financial stability post-employment.

Additional Perks
